The third edition of the Master of Law (LL.M.) in European Union Law and Policies, Master Universitario di Secondo Livello (hereafter, “Master”) has been established for the academic year 2022/2023.

Art. 1 – Description of Master

The Master is managed by the School of Law – Luiss Guido Carli – located at Viale Pola 12, 00198 Rome.

The Master lasts one academic year.

The Master’s Directors are Prof. Mark Thatcher, Prof. Enzo Moavero Milanesi, and Prof. Daniele Gallo.

The Master aims in giving an advanced education about decisional processes of European institutions and their law and policy developments.

The Master’s goals are to:

- develop a solid and extensive knowledge of the legal, regulatory and political aspects of the EU;
- acquire the necessary skills to analyze and evaluate policies and legal developments in the EU;
- familiarize with the career’s selection processes within the EU institutions;
- gain awareness of the European public management mechanisms.

Art. 2 – Academic Structure

The Master requires a comprehensive academic effort of 1500 hours, which includes 260 teaching hours, 60 hours for other educational activities, 780 hours for personal study and 400 hours devoted to the Master’s thesis. This comprehensive effort corresponds to 60 ECTS.

Lessons are held in blended form, both in presence and via streaming. Should new health issues arise, teaching activities will continue in the appropriate forms. Finally, the Master's Directors may decide to have some classes held partially or totally via streaming, noticing the students appropriately.

Upon reaching the required number of enrolled students, classes will start in January 2023 and finish by January 2024. Within this timeframe, students can write their Master's thesis.

A **Tutor** actively follows the teaching activities to assist and support students with their specific study needs.

The academic program is divided into single subject modules. At the end of each module, students will be tested with a final mark expressed in 30 points (18 being the minimum).

Students are required to attend all mandatory teaching hours as indicated in the academic program. Should they miss more than 20% of the required teaching hours, they will not complete the Master and, therefore, will not receive the final title. There are no justified absences, except for some cases that will be individually evaluated by the Administrative Management at the express request of the Master course's Directors.

Should student miss teaching hours, fail tests at the end of each single subject module or is responsible of academic and professional misconduct, the Directors of the Master can decide, at their unquestionable judgement, his/her suspension or exclusion. In both cases tuition fees will not be returned.

Having completed their mandatory teaching hours, students will work on a Master's thesis based on a topic selected among those examined in the single subject modules. The thesis will not be defended in presence nor remotely.

Upon successful completing all academic requirements, students receive a final grade from their supervisor and the Directors of the Master expressed on a grading scale of 110 points.

Art. 3 – Stage

The Career Services of Luiss Guido Carli creates opportunities of *stage* through formal agreements and regular interactions with private and public organisations. However, it does not guarantee a *stage* to all students of the Master. A *stage*, moreover, does not count towards the 60 ECTS.

Candidates for a *stage* are independently selected by hosting organisations. Should an organisation offer a *stage* to a student, it needs to sign a "Training and Professional Orientation Agreement" (Convenzione di formazione e Orientamento) with Luiss Guido Carli as required by the Italian legislation.

Stage is not an employment contract with the hosting organisation nor does it give rise to claims for future financial compensations or hiring. It can be carried out in one of the structures already affiliated with the University, or in another structure indicated by the student to be affiliated, subject to the authorisation of the Master's Director.

Art. 4 – Number of participants and Academic Calendar

The number of participants of the Master is limited. The Master is activated with 15 enrolled.

Classes are normally held:

- Friday: 9:00 AM – 8:00 PM;
- Saturday: 8:30 AM – 1:00 PM, 2:00 PM – 6:00 PM.

It may happen that some classes will be held on Thursday, 2:00 PM – 8:00 PM. Students will be noticed appropriately.

Art. 5 – Admission Criteria

In order to take part to the admission procedure, applicants are required to have a second cycle undergraduate degree or an equivalent degree by a foreign university (for details see Articles 7 and 8 of this Notice).

As mandated by Article 142 of Testo Unico 1592/33 and Luiss Academic Regulations, students cannot be enrolled simultaneously in other undergraduate, graduate or Ph.D. programs and Specialisation Schools at Luiss Guido Carli or any other university.

Students at the final year of their undergraduate degree can be admitted, with reserve, provided they complete their academic requirements within the extraordinary session (March/April 2023) of the academic year 2021/2022.

Art. 6 – Application Procedures

Applications are submitted online through the Luiss official website, by the deadline indicated, under penalty of exclusion from the selection.

Applicants need to attach the following documents:

1. Copy of an identity document (passport or National ID Card where applicable);
2. Photocopy of academic transcripts with details of exams, grades and academic credits; candidates with foreign degrees need to refer to Article 8 of this Notice;
3. Curriculum vitae et studiorum (CV);
4. Additional documents to be evaluated for the admission.

Upon uploading these documents, students receive an email confirming the safe submission of their application.

Art. 7 – Selections and Admission

Admission to the Master is dependent upon the positive evaluation of the curriculum vitae et studiorum (CV) and English language skills, as well as an interview. It is possible, in particular cases, to be interviewed over the phone or videoconference. Selections are undertaken by the Committee nominated by the Directors of the Master.

Applicants will be invited for an interview via email sent to the address indicated in their application. Similarly, the result of their selection procedure (admission, exclusion or reserve) will also be communicated by email.

An enrolment form and full payment instructions is sent to all admitted students. The original enrolment form needs to be returned to the Secretariat of the Luiss School of Law. Still, it is possible to anticipate the enrolment form electronically via email.

Art. 8 – Admission of foreign students or students with a degree by a foreign University

Upon their admission, students with a foreign university degree need to contact the Italian Consulate or Embassy close to their residency in order to comply with the requirements set by the Italian Ministry of University and Research (Ministero dell'Università e Ricerca).

Academic titles of foreign universities need to be legally translated in Italian and accompanied by a Statement of Equivalent Value (Dichiarazione di Valore in loco) issued by the local Italian Consulate or Embassy. The Statement of Equivalent Value should show the full number of school years and certify the official accreditation of the foreign university issuing the academic degree presented with the application.

As an alternative to the Statement of Equivalent Value, students need to produce documentation to Luiss that is deemed necessary for evaluating the academic degree presented with the application. These documents may include, inter alia, certificates with exams and credits and, if adopted, diploma supplements.

Where needed, foreign students admitted to the Master need to contact their local Italian Consulate for their student visa.

Art. 8.1. – Admission of students who have not completed their undergraduate studies at the moment of the application.

Those Italian candidates who have not completed their undergraduate studies at the moment of the application are admitted "with reserve". Full registration will only be granted when students at Italian universities present official certification of the completion of their academic requirements within the extraordinary session (March/April 2023) of the academic year 2021/2022.

Foreign graduating candidates, instead, must submit the documentation indicated in Article 7 of this Notice by the deadlines indicated by Luiss.

Failure to comply with this article will make it impossible for the candidate to obtain the final title of Master in the academic year of reference. He/she will still be responsible for the full payment of the tuition fee.

Art. 9 – Enrolment

Candidates who have been admitted to the Master, to be officially enrolled, have to pay the enrollment fee €8.500,00 (eight-thousand – five hundred) and follow these steps:

- a. Pay the first instalment, within the date indicated in the admission e-mail, of € 4.250,00 (four-thousand-two hundred and fifty) and € 48,00 (forty-eight) of stamp duty taxes; the second instalment of € 4.250,00 (four-thousand-two hundred and fifty) is due the 14th of April 2023;
- b. Send the enrollment form and other documents requested from School of Law Secretary, viale Pola 12 – 00198 Roma.

After receiving the e-mail with username and password, it is possible to pay by accessing “Web Self Service” webpage > “Servizi agli studenti”: <https://www.luiss.it/servizi-agli-studenti/web-self-service>. For each payment, Luiss Guido Carli’s Administration will issue an invoice headed to the student.

Instalment facility is to be intended as an advantage for students; however, students are requested to pay the entire amount of enrollment fees.

Art. 10 – Withdrawal

Admitted students can withdraw from the Master only before the official start of the academic program set by the Director of the Master and communicated by Luiss as to offer the place to a candidate in the reserve list.

Withdrawals need to be communicated in writing to the Directors of the Master and the Secretariat of the School of Law Luiss Guido Carli.

Any request for withdrawal after the start date of the academic program does not exonerate from the payment of the entire amount of the tuition fee.

Art. 11 – Financial Aid

In order to facilitate their attendance of the Master, students can apply to loans (Prestiti d’ Onore) offered by various financial institutions that have stipulated agreements with Luiss Guido Carli. For more information visit the university website.

Art. 12 – Awarding of the title

The awarding of the degree is subject to passing exams of each single subject module, the positive evaluation of the master's thesis, as well as the attendance of at least 80% of teaching hours. This corresponds to 60 ECTS. Finally, students should also have completed the payment of the tuition fee and return all the necessary documentation required to complete the registration for the Master.

The final exam consists of a thesis, which will be evaluated without its discussion by the supervisor and the Directors of the Master. The **LL.M in European Union Law and Policies** Mention will be awarded to students who have all the following requirements:

- An undergraduate degree in Law;
- Completing all the Core, Specialised Law Courses, and Labs or Law Clinics;
- Topic of the final thesis focused on Core Courses and Specialised Law Courses.
